<TAT Notice>

ExperTox aims to meet the stated TAT under optimal conditions. However, delays may occur due to unforeseen weather, equipment failure, supply chain issues, or emergencies (e.g., hurricanes). As all scientific methods undergo continuous revalidation, less common tests may be delayed if additional validation is required. Customer will be notified of any potential delays upon sample arrival.

<Hair Sample Notice>

Head hair samples are tested for a 90-day time frame unless otherwise stipulated on the Chain of Custody received with the sample. ExperTox offers segmentation for hair samples, that can be ordered in 30 day increments. Please call customer service at 281-476-4600 or email customerservice@expertox.com if you need assistance with any pricing.
